

Desh Bhakti Report (V – VIII)

In the month of November, the activity for Desh bhakti was to ask students why do we follow the rules and regulations when we are in school, on road and also regarding our country.

The activity started with the explanation of the topic and students discussed their points with the class teacher.

LEARNING OUTCOME:

1. Students learned about various rules which we follow in our country regarding traffic.
2. They also shared their views regarding the rules followed in the school.
3. At the end students understood why is it necessary to follow the rules and regulations in order to work efficiently and without any problems.
