

Yajna ceremony was performed for the students of grade X and XII----- A Report

To seek the divine blessings of the Almighty for the students of Grade XII and X, who will appear in the CBSE Board Examination 2021-22 ,a Yajna ceremony enveloped in the purifying warmth of the 'holy fire', bowed down heads, chanting of mantras and the fragrance of incense ,was organized on the 9th and 11th of April, respectively, inside the school premises of Gyan Mandir Public School, Naraina Vihar .

Students along with a few parents graced the occasion. The students sat with their eyes shut and head bowed in reverence as the environment resonated with spiritual mantras.

The gathering was honoured by the presence of the School Principal Mrs. R. Banopreeya, Vice Principal Mrs. Babita Wason, school supervisors, class teachers and the subject teachers, who participated in this sacred purifying ritual which is considered important before undertaking any arduous task.

The true meaning of Yajna and its importance was told to the students by *Panditji* who was performing the holy rituals. He also explained to the students the true meaning of life and that a student's foremost duty is to respect their parents and *gurus*(teachers). Finally,he enlightened students on how to face the challenges of life and never give up.

Our Principal madame enlightened the students with her words of wisdom and highlighted the importance of strongly holding on to the roots of rich learning from parents, teachers and from the school, as together they constitute the most essential elements of a student's upbringing.

The entire school was enriched with positive energy with the chanting of the Vedic mantras and fumes of the holy fire. Finally students were blessed with showering of flowers, followed by distribution of sweets.

May the Divine Spirit shower his blessings upon our students, today and always.
