**MONTH – APRIL'23**

### **SIMON SAYS- MY BODY PARTS ACTIVITY**

**Fun activity of body parts called Simon says was conducted on Wednesday, 26<sup>th</sup> April. The teacher called out names of different body parts and students had to touch them correctly. Some of them also spoke about their body parts. This educational as well as interesting activity helped students in learning different body parts as well as front and back. The students were very excited and took part in it enthusiastically.**
