FATHER'S DAY CELEBRATION

Father's Day is a special occasion dedicated to honouring and appreciating the role of fathers in our lives. This year, although Father's Day fell during the summer vacation, the students of Classes Pre-School to XII celebrated the day with great enthusiasm from the comfort of their homes. They participated in various activities with their fathers and shared their experiences through pictures and videos with their class teachers.

To make Father's Day memorable, students engaged in a variety of activities. These included:

1. **Cooking Together:** Many students and their fathers spent quality time in the kitchen, preparing meals together. From baking cakes to cooking traditional dishes, the kitchen became a place of bonding and learning.
2. **Outdoor Games:** Fathers and their children participated in outdoor games and sports. Activities such as playing cricket, football, badminton and cycling were popular choices. These activities not only provided fun but also promoted physical fitness and teamwork.
3. **Craft and Art Projects:** Students took to crafting handmade cards, photo frames, and other art projects to present to their fathers. These projects were a testament to the love and creativity of our students.
4. **Storytelling and Reading:** Many fathers read stories to their children, while others created new stories together. This activity not only strengthened the father-child bond but also promoted literacy and imagination.
5. **Music and Dance:** Some families enjoyed singing and dancing together. Students showcased their musical talents by performing songs dedicated to their fathers and in some cases, fathers joined in the fun with dance routines.

Students were encouraged to capture these moments through photos and videos and share them with their class teachers. The response was overwhelming, with numerous submissions pouring in from enthusiastic students. Teachers compiled these submissions into a beautiful digital collage and video montage, showcasing the love and creativity of our students and their fathers.

The Father's Day activities conducted by Gyan Mandir Public School were a resounding success, even in the midst of summer vacation. The celebration provided a platform for students to express their love and gratitude towards their fathers while creating cherished memories.
