

EARTH DAY CELEBRATION IN GYAN MANDIR PUBLIC SCHOOL

To mark the occasion of International Earth Day 2023, an array of activities were conducted to sensitise the students about the importance of saving the Earth today for a better tomorrow. The students of the classes Pre-Primary-XII, enthusiastically participated in a myriad of activities conducted in the classes to commemorate our benevolent Mother Earth. To start with, the students learnt the importance of the Earth Day and the need to preserve and conserve their self-sustaining planet. Activities such as, 'Best out of Waste' sent a strong message on reusing the waste judiciously. The 'slogan writing' activity highlighted the importance of conserving resources for our future generations. Tiny Tots of the school made headgears of Mother Earth to show their participation in the celebration. Gyanodians participated in 'Go-Green initiative' with great zeal and enthusiasm, showcasing their artistic and creative skills. Teachers added the finishing touch by addressing the students and emphasizing upon the importance of afforestation, planting of trees and the need for everyone to put together their efforts and get into action, in protecting our environment and Mother Earth.
